Thank you Melissa ,  
I believe all needed documents were indeed submitted, prior to learning about the missing transcript(by me).  
Sincerely,  
Sharok Jacobi

Dear Mr. Jacobi,

Thank you for your message. Regarding aid, we cannot move forward with the financial aid process until we have the official transcript sent from North Shore directly to our office. At this point, we are giving need-based aid on a case-by-case basis as we are very late in the process. I cannot guarantee any need-based aid for next year, but of course we will work with you as best we can.

Once I have the transcript, you may resume conversations with our financial aid office. In the meantime, I would gather all of the necessary paperwork (tax forms, FAFSA, JTS application, etc) so that you are ready to move forward as soon as we have the official transcript on our end.

Thank you,

Melissa

Mr. Jacobi,

Eliza Jacobi's FAFSA is missing a "parent signature". It looks you made a correction/change to the FAFSA but never signed it. If you need help signing it electronically on the FAFSA website ([www.fafsa.ed.gov](http://www.fafsa.ed.gov)), you should call 800-4-FED-AID.

Again, we cannot begin to review your forms to determine need-based aid until there is a signature on your FAFSA and I have an official transcript sent from NSHA.

Best,

**Melissa Present, Director of Admissions**

Lizzy,

Hi Missy,

I understand why this came to pass and, while I can't say I'm at all happy, I'm not too surprised by this point. Perhaps we'll be in touch again. In the meanwhile I wish you all the best as well.

Sincerely,

Lizzy
